RE: INDEMNIFICATION TREATIES

Old Republic Title is pleased to announce that it has entered into indemnification treaties with Chicago Title, Tigor Title and Lawyers Title. The complete list of underwriters with whom ORT has treaties is as follows:

Attorneys' Title Insurance Fund, Inc.
American Pioneer Title Insurance Company
Chicago Title Insurance Company
Commonwealth Land Title Insurance Company
Fidelity National Title Insurance Company of New York
First American Title Insurance Company
Lawyers Title Insurance Corporation
Stewart Title Guaranty Company
Tigor Title Insurance Company

The treaties are designed to automatically indemnify Old Republic Title when a prior insurer has undertaken or insured certain specified risks. Please refer to the original copy of Bulletin 98-11 for a list of the risks and recurring problems.

We hope that these treaties will streamline the closing process. Should you have any questions concerning their implementation, please do not hesitate to contact Mike Davis, Linda Hernandez or me.
