RE: TITLE INSURANCE LICENSING APPLICATIONS FOR NON-  
ATTORNEY AGENTS

The Florida Department of Insurance recently issued the attached Notice regarding changes to the licensing application process.

Specifically, the Department of Insurance has contracted with Assessment Systems, Inc (ASI) to provide application screening services for most insurance licenses, including title insurance licenses. ASI is the same company that already provides license exam administration and education tracking services to the Department.

The new services will eliminate the requirement for a paper application for a title insurance license. The toll free number is attached. These changes are scheduled to take effect on December 6, 1999.

Please call the Florida Department of Insurance at 850-922-3137 should you have any questions regarding the new licensing application process.
