Date: September 19, 2005

It is with great pleasure that I announce that Jean M. Foster has joined Old Republic National Title Insurance Company as an Account Manager in Southwest Florida. Jean will be replacing Renee Becker who many of you already know has left to accept another position within the Old Republic family of companies.

Jean brings over 27 years experience in the title industry to Old Republic Title and has been involved in everything from examination to sales and marketing. With her wealth of experience in our industry, I know Jean will be a great addition to our team in South Florida.

Please take the opportunity to welcome Jean to Old Republic. She can be reached either at the Ft. Myers office (239) 590-9001 or on her cell phone (239) 565-1320 and I am sure she will be in each of your offices very soon.

Thank you.
