SUBJECT: JANET NERIS – NEW UNDERWRITING COUNSEL

We at Old Republic National Title Insurance Company are extremely pleased to announce that Janet Neris has joined our legal department as underwriting counsel. In that capacity, Janet will be working with Jim Russick, Linda Hernandez, Carolyn Broadwater, and Jeanne Murphy to increase our ability to provide unsurpassed underwriting support to our agents. Although Janet will be a part of our legal staff in Tampa, she will be based in our Deerfield Beach office where her bilingual skills undoubtedly will prove advantageous.

Prior to coming to Old Republic, Janet was employed with another insurer where she underwrote transactions in Latin America and the Caribbean. She also has experience working in bankruptcy and family law.

Janet was born and raised in Miami. She received her J.D. from St. Thomas School of Law and attended undergraduate school at Florida International University. During her internship while attending law school, she had the honor of being the first recipient of the Terry Russell Equal Justice Fellow award at the Legal Aid Service of Broward County.

Janet can be reached directly by calling our Deerfield office numbers of (800)805-1497 or (954)421-4599. Her cell phone number is (954)439-5735. We also have the ability to transfer any calls that come into our Tampa office to her.

Please take the opportunity to contact Janet to make your acquaintance and call upon her whenever you find the need for assistance with your underwriting questions.
