Subject: Jenny Williams Appointed Ft. Myers Plant Manager

I am pleased to announce the appointment of Jenny Williams as Plant Manager of the Ft. Myers title plant.

Jenny comes to Old Republic with 25 years experience in the title industry in Florida, having entered the business after graduating from FSU. She has extensive residential and commercial examining experience and joins Old Republic after managing title plants for other underwriters.

Jenny is an accomplished manager with a proven track record of providing superior title services to her agents while maintaining the highest standards of title plant accountability. Her knowledge of the industry and experience in plant operations will prove invaluable as we continue to look for and implement strategies to improve title plant service in this difficult economic environment.

Please join me in welcoming Jenny to her new position.
