Re: Bill Partlow Joins Old Republic Title

I am pleased to announce that **Bill Partlow** has joined the Company as Vice President and Florida Operations Manager. In this position, he will work out of the Tampa office and report directly to me. Bill will be responsible for managing operational activities within Florida's branch offices and for carrying out agency administration duties within the state.

With 22 years of experience in the industry, Bill started his career working as a Senior Auditor and CPA for an Orlando accounting firm. Five years later, he received an offer from a title insurance company to head their auditing program; thus began his career in the title insurance industry. Since then, Bill has worked for several national underwriters, serving in various roles, including as: East Coast Audit Manager, Tampa Agency Manager, and Senior Vice President, National Agency/Quality Assurance Manager. Most recently, Bill was the South Florida Agency Manager for a large competitor.

Bill graduated from the University of Central Florida in Orlando with a Bachelor's Degree and as a CPA. Prior to this, he served as a medic in the United States Air Force.

Please join me in welcoming Bill to Old Republic Title! He will undoubtedly be a tremendous asset to the Company and our overall Florida operations.
