NOTICE

TO: All Florida Agents
FROM: Underwriting Department
DATE: February 11, 2011
RE: The new 2006 policy form is coming to Florida.

We are pleased to announce that the title insurance industry is on the verge of success. We anticipate the approval of the ALTA 2006 policy forms and some of the endorsements on or about March 1, 2011.

As you know, all title insurance policies and endorsements issued in Florida must be approved by the Office of Insurance Regulation. Most are uniformly promulgated by the state to preclude consumer confusion and promote the easy flow of commerce.

The ALTA 1992 owners and loan policies you are currently using were completely rewritten in 2006. The title insurance industry has sought the adoption of the ALTA 2006 forms in Florida ever since.

We will be publishing more about this important transition to a superior product over the next several weeks. We anticipate that the transition will go quite smoothly and wanted to give you this preliminary notice to help assure that.

Look forward to further information on the 2006 ALTA forms soon.

Please **provide a copy of this Notice to your staff** so they can read it and become aware of its contents.
