Dear Marty and Dana:

On behalf of the REBA Board, our more than 3000 members and all real estate lawyers across the Commonwealth, we thank Old Republic National Title for your extremely generous leadership contribution to The Real Estate Bar Association.

This donation will support our efforts to insure that attorneys who adhere to the highest professional standards will continue to offer service to consumers and businesses in real estate transactions. Our adversaries, the sponsors of House Bill 904, are strong and well-funded with many corporate allies nationwide. As a small, non-profit professional association, REBA must instead rely primarily on annual dues and small voluntary donations from our lawyer members and others. This donation will be a tremendous help to us.

We are delighted that Old Republic Title stands shoulder-to-shoulder with REBA in this vital effort.

We are so grateful for your support.

Very truly yours,

Robert J. Moriarty, Jr.
President
