

JANET J. FISHER

**VICE PRESIDENT
NATIONAL BUSINESS DEVELOPMENT**

Jan is Vice President – National Business Development for Old Republic Site Management Services (ORSITE), a nationwide vendor manager servicing commercial real estate clients by providing due diligence products such as land surveys, environmental studies, property condition assessments, zoning letters and reports, and appraisals. She is responsible for all sales and marketing initiatives, focusing on ORSITE's key customer groups that include owner/developers, real estate attorneys, title companies, banks and commercial lenders, capital markets, wireless communication companies, REITS, franchises and hotel and restaurant chains – just to name a few.

Jan has 30 years of experience in the title insurance and banking industries, including sales and marketing for a vendor manager providing products and services for residential real estate transactions; management of a title underwriter's centralized order processing center for residential title insurance transactions; title agency relations on both a local and national level; acquisitions of title agencies, exchange companies, and ancillary service providers; and managing depository relationships with title, exchange and escrow companies.

Jan is a member of the American Land Title Association, the Texas Land Title Association, International Council of Shopping Centers, Women's Finance Exchange and CREW. She graduated with Special Distinction from the University of Mississippi with majors in mathematics and English.
