Re: Old Republic Personnel

We are pleased to announce that effective January 1, 2002, several changes have taken place at Old Republic National Title Insurance Company.

First, Shannon Savage, who has been Underwriting Counsel at Old Republic Title since November 1999, became Texas and New Mexico State Agency Manager. Of course, Shannon will still be available to answer your underwriting questions. In addition, we have brought on board another underwriter, Keith Hazelwood.

Keith will be available to assist with underwriting calls. Keith attended Texas A&M University and is a graduate of South Texas College of Law. Keith has been working for Old Republic Exchange as a 1031 Exchange expert and will continue to be active in tax-free exchange transactions. Keith will also be available to present accredited seminars on 1031 Exchanges.

David Rhodes will continue as Senior Underwriting Counsel and will be more active in regulatory matters for Old Republic Title as Regulatory Counsel.

Kindra Johnson has also joined the Southwest Regional Office as Agency Administrator. Kindra will be available to assist you with a variety of agent services including insured closing letters, indemnities, and licensing.

You may contact any of the above Old Republic employees at our toll free # 1-888-678-1700 or the following e-mail addresses:
