USA Patriot Act Name Searches

Portions of the Patriot Act expired on **June 1, 2015**. However, it is important to bear in mind that **not all portions** of the Patriot Act have expired.

The part of the Patriot Act for which the title insurance industry regularly conducts name searches of the Sanctions List published by the Office of Foreign Asset Control, **remains in effect and has not expired**. Therefore, Old Republic Title agents and direct operations **must** continue to conduct Patriot Act name searches.
